Thank you for using &and COMFY HOTEL. We would like to introduce some shops and even a sakura spot around the last stop of the city tram. It is easy to access since you can get there without any transfers!

Gohanya Fukuro The owner recommends Chicken Karaage with sweet vinegar sauce. The chicken is very tender and fluffy. It is fun to have a conversation with the owner.

Sakura on Jieitai-dori Avenue Have you ever seen Sakura? There are many cherry blossoms on the both sides of the road. Annual festival is going to be held on 31 March.

What's around the last stop

Kengun machi

Suganoya This is a horse meat speciality shop and has a very fresh and ready to eat horse sashimi. If you don't like raw meat, we recommend horse meat croquettes and minced meat cutlet.

Ichiren

Ikinari-dango is Kumamoto's speciality, a steamed dumpling which has red bean paste and sweet potato. This shop is particular about its ingredients and has many fans. If you are a foodie, you should try one!
